

# COMMODITY DESCRIPTION

관세분류번호 H.S. NO.	등록번호 ITEM NO.	품명 DESCRIPTION	UNIT	Q'TY
		슬라이드 색인기	Sys	3

## A. FEATURE

### A-Type

1. Support for multiple ways of connecting data (Serial ports, Ethernet, USB)
2. Full-Color LCD Touch Screen Display
3. Non-contact laser technology without consumables
4. Clearly print characters, letters, symbols, barcodes and other information
5. Easy to operate with professional slide loading / output device
6. Composite Air treatment function

### B-Type

1. Compact design for optimized workflow
2. Independent integrated design, stand-alone printing without external computer
3. Clear and durable printing resistant to both heat and commonly used chemicals
4. Simple and intuitive user interface
5. Compatible with Laboratory Information System (LIS)

## B. SPECIFICATIONS

1. Printing Medium : UV Laser
2. Unload Capacity : 20 slides x 2 or 20 slides (Batch 200 slides)
3. Dimensions (WxDxH) : Less than 380 x 367 x 515 mm
4. Print Speed : Up to 15 slides per minute
5. Weight : Less than 37 kg
6. Print Resolution : 2500 DPI
7. Load Capacity : Dual channel design, 200 slide capacity or 150 slide capacity
8. Slide Type : Compatible with Leica and mainstream brand slides
9. Operating altitude (meters above sea level) (min/max) : up to 2000 m
10. Temperature (operation) (min/max) : +18°C to +35°C
11. Relative humidity (operation) (min/max) : 20% - 80% RH non-considering
12. Temperature (transit) (min/max) : -29°C - +50°C

13. Temperature (storage) (min/max) : +5°C - +50°C

14. Minimum distance to walls (mm) : 100 mm

C. Consist of :

A Type		B Type	
1. Main Body	3set	1. Basic instrument	3set
2. Input Slide Rack-2ea/set	3set	2. Magazine A	3ea
3. Output Slide Rack_Front-2ea/set	3set	3. Magazine B	3ea
4. Air Purification System-Air Filter type	3ea	4. Slide stacker	3ea
5. Carbon Air Filter	3ea	5. Batch filter	3ea
6. Air Purification System-Bottle type	3ea	6. Dust bag - Batch	3ea
7. Bottle Holder Base	3ea	7. Batch filter - HEPA Carbon	3ea
8. Scanner-Built-in	3ea	8. Carbon filter	3ea
9. Scanner-External	3ea	9. HEPA filter	3ea
10. USB Data Cable	3ea	10. Scanner	3ea
11. All-in-One PC(Lenovo A100) (SSD: 256G, RAM: 8G, Keyboard, Mouse)	3set	11. Slide shute	3ea
12. Interface program	3ea	12. All-in-One PC(Lenovo A100) (SSD: 256G, RAM: 8G, Keyboard, Mouse)	3ea
13. Power cord	3ea	13. Interface program	3ea
14. Operation/Service Manual	1ea	14. Power cords with connector C13	3ea
		15. Instruction/Service manual	1ea

D. Remark

1. Warranty : The repair period for free defects of equipment is 3 years after the installation and inspection of the equipment is completed.
2. The standard accessories should be provided without omission.
3. (A-type) Carbon Air filters are replaced free of charge upon inspection or if heavily contaminated.
